DAN MORALES  
ATTORNEY GENERAL

October 10, 1991

Mr. John Schneider  
Assistant City Attorney  
City of Pasadena  
P. O. Box 672

OR91-491

Dear Mr. Schneider:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, article 6252-17a, V.T.C.S. Your request was assigned ID# 13544.

The Pasadena Municipal Court received an open records request for the names of all traffic violators who have requested to take defensive driving and whose requests have been granted. You inquire whether the Open Records Act applies to the requested "court records."

Section 2(1) of the Open Records Act defines the entities that constitute "governmental bodies" under the act. Subsection 2(1)(G) provides that "the Judiciary is not included within this definition." Consequently, records of the judiciary do not fall within the ambit of the Open Records Act. *See, e.g.,* Open Records Decision Nos. 274 (1981); 25 (1974) (records of judiciary not subject to the Open Records Act, but are subject to common law and statutory rights of inspection) (copies enclosed).

Although the requested records may be subject to statutory rights of inspection, *see* Gov't Code § 29.010; Local Gov't Code § 191.006, we conclude that the requested records are not subject to the Open Records Act. Because the authority of this office to render open records decisions is limited to determinations as to whether requested information held by "governmental bodies" falls within the sec-

tion 3(a) exceptions from disclosure, we are not authorized by the act to instruct the court as to the rights of access to its records. Consequently, we cannot further assist you in this matter.

Because case law and prior published open records decisions resolve your request, we are resolving this matter with this informal letter ruling rather than with a published open records decision. If you have questions about this ruling, please refer to OR91-491.

Yours very truly,

Rick Gilpin  
Assistant Attorney General
